Private English-speaking High School in Poznań

High School
with International
Baccalaureate

Gaudium et Studium
is a partnership between the School and the student.
We will ensure that the student receives support,
feels respected and safe.

Piotr Gulewicz
Head of Gaudium et Studium

Our aim is to equip students so that they are autonomous and united around the core values of diligence, humility, honesty, fairness and tolerance.

We nurture creativity and critical thinking.

We strive to ensure that each of our students is sensitive to the needs of others and ready to help.

We expect our students to be active organizers of their own education, take responsibility for themselves and become co-creators of the learning process by sharing their passions and learning from each other.

In Gaudium et Studium students have a huge range of possibilities at their disposal. Our role is to help them find and discover themselves so that they can make the most of their time at school.

We are convinced that after leaving Gaudium et Studium, students will set out into the world ready for new challenges and, faithful to their values, will become initiators of changes that will serve people and the world.

**Creative environment, passionate teachers,
modern teaching methods, the highest
achievements of students!**
